"Lever de soleil sur les quais de Paris" by YLPEIT78

"What a memorable trip! It was well organized so that we saw a great deal of art in the most famous museums of Paris. Adeline has impressive knowledge of art history and shares it readily. I learned a great deal. It was also so much fun, I am doing it again!"

—Ms. M. A. Eldred, NH

"Adeline's restaurant choices were wonderful! The food was great—it was delicious, authentic and not at all what would be typical tourist fare."

—Ms. B. Fabrizio, NH

"The trip to Provence is one of the most treasured memories of my life. The serenity of the house in the vineyard, the medieval towns in which we painted, market day, the camaraderie of the group all remains fresh to me. The personal attention and guidance I received from Adeline gave me the essentials tools I needed to become a painter." —Ms. M. Murray, NH

"The most wonderful experience of a lifetime, and I went twice!!!! A French guide and painting instructor—what more could one ask? This trip was a rich cultural experience, which only Adeline could host!!!!"

—Ms. S. Pelech, NH
